

# 1908 Cadillac Model B Touring

## Manufacturing Information

Manufactured By Cadillac Automobile Company  
 Assembled At Detroit, Michigan  
 Model Production 2,319 - 2,497  
 Body Model B Touring/Tonneau  
 Horsepower 8 1/4  
 Weight 1,450 pounds/658 kilograms  
 1908 Cost \$900 (USD)

## A Great Replacement Body

This period replacement body was never painted. A crash is suspected, as the original painted body was replaced with a new body from Cadillac. The repainted sheet metal was completed by Dan Miller, son of the owner. The vehicle was purchased from Barney Pollard in Wixom, MI, in the mid 1980s but was originally delivered to a dealer in Toledo, Iowa.

Engine Number: 2581  
 Body Number: 10706

## Innovations

Single-cylinder engine housed under the front seat  
 Available in four different body styles: two-seater runabout, four-seater with optional attachment, deluxe two-seater and a four-seater touring  
 Cadillac use of single-cylinder engines ended in 1908

## Glen Miller

On loan from Glen Miller, Plymouth, Michigan. Glen and his wife have supported Piquette in many ways over the years, including the period-authentic bicycle you will see on the second floor. We are very grateful for their support.
